

“How can I upgrade my warehouse performance?”

The answer's in black and white.

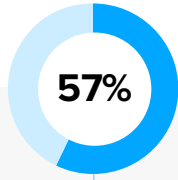

The world of warehousing is rapidly changing due to growing industry demands. Stay ahead by integrating advanced technology to fill in the gaps. From inventory management, picking, receiving to shipping operations, Zebra has a solution for your warehouse.

DID YOU KNOW?

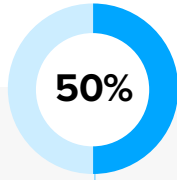

In a study done with small and medium businesses:

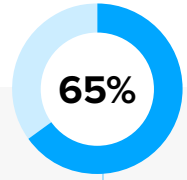

77% of warehouse decision makers believe equipping a worker with a device or partial automation is the most optimal balance for goods and receiving operations¹.

57% of warehouse decision makers reported inventory management as their top current or expected challenge in the next five years¹.

50% of warehouse labor is accounted by picking operations with frequent turnover—as high as 30% annually¹.

65% of warehouse decision makers anticipate an increase in the volume of items shipped in the future¹.

ADVANTAGES TO ADVANCING YOUR WAREHOUSE

With Zebra's purpose-built technology portfolio, help improve different areas of your warehouse:

Streamline operational processes

Improve accuracy and efficiencies

Ensure worker and customer satisfaction

2 out of 5 decision makers state they have adequate use today of handheld mobile computers with scanners to read barcodes¹.

8 out of 10 of small and medium businesses plan to increase their warehouse technology investments¹.

THREE WAYS TO ENHANCE YOUR WAREHOUSE EQUIPMENT

Keep pace with ever-evolving supply chain demands and timelines with Zebra's printers, mobile computers, and scanners.

Zebra DNA

Get exponential power with a portfolio of intelligent software, applications and utilities designed to transform your devices into enterprise-engineered solutions.

Mobile and Industrial Printers

Print on easy to set-up, manage and maintenance devices designed to enhance capabilities. With mobile printing, print on-demand whenever, wherever you need to. From labels to orders, you'll drive productivity with ease.

Mobile Computers

Handle large amounts of orders every day, faster than ever, with mobile computers. Intuitive UI displays and a familiar system make training and deployment a breeze, to keep your operations running smoothly.

99.9% accuracy with data collected from mobile computers².

Scanners

Scan barcodes, labels, orders and more with ultra-rugged scanners built for your warehouse workflows. Get unstoppable performance combined with simple management to ensure accuracy and efficiency.

BENEFIT THE MOST FROM YOUR INVESTMENT
