CITIZEN

Environmentally friendly, cost conscious printing

The Eco-POS Printer

Environmentally friendly

From production and packaging to utilisation and recycling the CT-S310II fulfills today's demand for green IT products. The integrated Energy Star® power supply is one of the most efficient at managing power consumption.

Tool-free maintenance

Paper jam? No problem. The printer comes with the same intelligent service features as Citizen's high end printers.

Long life print

The new LLP function can extend the print head life to 200km or more.

CT-S310II
