

Nquire

THE NEW NQUIRE SERIES

Enable a seamless self-service experience with the Nquire Micro Kiosks.

Featuring intuitive touchscreens and a suite of advanced features, the Nquire Micro Kiosks are raising the bar in self-service applications. With various sizes on offer, these devices ensure the perfect fit for any workspace. Opt for the compact Nquire 500 Skate II for price-checking and digital signage, or the Nquire 1500 Mobula II for more complex interactions. From self-check-out in the store to self-check-in at hotels, the Nquire Micro Kiosks ensure a seamless experience for your customers.

Boost Customer Engagement

Foster deeper connections with customers through interactive self-service, encourage active participation and create memorable experiences, increasing your customer engagement and customer retention rate

Be Available 24/7

Ensure accessibility anytime, anywhere, and enable customers to engage with your services even when your staff isn't there.

Maximize Efficiency

Automate processes, minimize wait times, and deliver enhanced productivity alongside increased customer satisfaction.

Ndevor
